

THE PACKAGING RECOVERY NOTE (PRN) SYSTEM

THE PACKAGING RECOVERY NOTE (PRN) SYSTEM

UK Producers' recycling costs have escalated by up to

1000%
in 2022.

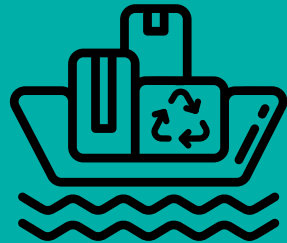

PRODUCERS

- Manufacture, convert, fill and sell packaging
- obtain PRNs/PERNs to discharge their obligations

Smaller producers currently do not participate in the PRN system if they have an annual turnover of less than £2million

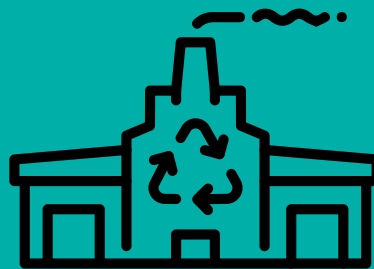

REPROCESSORS / EXPORTERS

- Pay for the waste material (including a share of their PRN revenue)
- Recycle/export materials
- Issue PRN/PERNs, for which they can charge producers

HOUSEHOLDERS
